

Conference on

Media, Violence, & Entertainment

LOCATION: The Walker Center
144 Hancock Street, Auburndale, MA 02466

PUBLIC EVENING

Thursday, June 24, 2010
7:30-9:00pm

This conference intends to explore how violence is fostered by media and entertainment games with specific reference to the degradation of persons and women in particular, how media and electronic games encourage violence and ways in which violence is celebrated and valued and the question of whether the portrayal of violence in media and entertainment games can be therapeutic or reinforces violence.
